## REINSTATEMENT TO GRADUATE STATUS

All students are advised to read the section on requirements for Reinstatement prior to filling out this petition

Reinstatement is required for all students in *lapsed status* who plan to fulfill a degree milestone (e.g. advancing to doctoral candidacy) or complete a degree (file a thesis/dissertation/DMA supporting document/master's project, take comprehensive exams). Reinstatement is not guaranteed; approval is at the discretion of the department and the Graduate Dean or Associate Dean.

Fall quarter reinstatement is required by *lapsed students* who plan to enroll in Summer Session courses to fulfill a degree milestone or complete a degree. Upon reinstatement, students must complete the <u>Summer Session</u> application and register in a minimum of four units during *one* summer session. If the final degree is conferred during summer, fall registration will not be required.

Reinstatement does not alter a student's original start quarter and year. Review <u>time-to-degree standards</u> to determine whether within or beyond departmental/Graduate Council time standards.

## **Directions for Students:**

Consult with your department and faculty advisor prior to submitting a paid Reinstatement Petition.

- 1. Complete, sign and attach a memo that includes:
  - a. How you have remained current in your field of study
  - b. A detailed timetable for completion of your remaining degree requirements
- 2. Include a Committee Form IA if:
  - a. You are advanced to candidacy and have been lapsed for 3 or more academic quarters (in order to renew or change your doctoral committee)
  - b. You have been lapsed for less than 3 academic quarters, but your nominated master's thesis or doctoral committee has changed
- 3. Submit the completed petition, along with any additional department-specific documentation, to your department at least six-weeks prior to the requested reinstatement quarter
- 4. Please note that the non-refundable reinstatement fee will be charged to your BARC account

## **Directions for Departments:**

The department should consider a number of factors when approving reinstatement, including:

- Was the student having trouble meeting academic requirements prior to lapsed status?
- Have departmental resources supporting the student's area of interest diminished?
- Have faculty with whom the student previously worked left UCSB?
- 1. For students within department/Graduate Council time-to-degree standards
  - a. Approve or deny, sign and submit the completed, paid petition to the Graduate Division.
- 2. For students beyond department/Graduate Council time-to-degree standards
  - a. Determine if the student should follow requirements that were in place when they entered the program or requirements in place at the quarter of reinstatement.
  - b. Determine if the student should re-take critical milestone requirements (e.g., comprehensive or qualifying exams), or submit new admission documents such as a Statement of Purpose, Vitae, GRE scores, etc.
  - c. Approve or deny, sign and submit the completed, paid petition to the Graduate Division

**NOTE:** Students in lapsed status forfeit their student privileges, which may include pre-existing offers of departmental financial support, such as academic employment and fellowships. This is especially true for those students having exceeded time-to-degree standards. Students should contact their department with any questions about financial support (e.g., fellowships or graduate student academic employment).

## REINSTATEMENT PETITION

For deadlines, visit the <u>Registrar's Calendars & Deadlines</u> or <u>Graduate Division</u> calendar A copy of the processed petition will be sent via email to the student and department
