

2025 UCSB-CSU Summer Research Institute Program Application

A UC Santa Barbara Graduate Division Academic Research Consortium (ARC) Member Program

Thank you for your interest in being chosen to join UC Santa Barbara's 2025 [Academic Research Consortium \(ARC\)](#) as a [UCSB-CSU Summer Research Institute](#) Scholar (UCSB-CSU SRI). Please make sure you have reviewed the UCSB-CSU SRI program's [website](#) prior to completing your application.

The goal of this program is to provide research experience and preparation for application, admissions, and graduate studies to students interested in pursuing doctoral degrees, particularly at a University of California campus. Currently enrolled undergraduate and master's degree students from our following partner campuses are welcome to apply: CSU Channel Islands, CSU Fullerton, CSU Northridge, and Long Beach State.

If you have any questions, please [email our UCSB ARC Team](#).

An ideal UCSB-CSU SRI Scholar candidate:

- Expresses a commitment to and a strong potential for success in future pursuit of a Ph.D.
- Experienced educational barriers to their academic progress, or who express a commitment to address the barriers that prevent participation of students from underrepresented groups in graduate academic programs.
- Experienced situations or conditions that impacted their education advancement (e.g. the absence of a role model in your field of study, absence of a family member who received a four-year college degree or graduation from high school with poor financial or curricular support).
- Demonstrates leadership potential to address the issues of underrepresentation of domestic minorities in postsecondary education.
- Possesses the potential to gain the personal and multicultural competency skills necessary to address the needs of a diverse State and global community through advanced education and research.

Awardee Eligibility:

This program is only open to U.S. citizens or permanent residents, or to students who hold AB540 status or believe they are eligible under this program. Student awardees must express a clear commitment to earning a doctoral degree. They must be full-time enrolled and have a minimum 3.0 cumulative GPA. Awardees experience and commit to all components of a 7-week residential summer research program, which includes a slate of weekly workshops, upwards of 35 hours per week of research, and several social and networking events.

A completed application includes:

1. Complete this google form

2. Statement of Interest (SOI):

Write a concise essay concerning your interest in the UCSB-CSU SRI program and graduate education in general. This essay should address (but is not limited to) the key components listed below. Please feel free to expand upon these components and share any additional information that you feel is relevant to your unique personal or educational history. Your statement should not exceed 1,000 typed words (single-spaced, 12 point font).

-Describe your research area of interest and, if applicable, prior and current research experience.

-Discuss why you are interested in participating in an undergraduate research program and what you feel you can gain from the experience.

-Discuss why you are interested in pursuing a doctoral degree and your future career objectives.

-Describe your educational background and achievements, providing information on barriers (educational, social, financial, and/or cultural) you may have personally faced and how you overcame them.

3. Resume/CV: Include a resume/CV with your application. Include any work or laboratory experience that you feel is relevant to your application.

4. Unofficial Transcripts: Include a copy of your unofficial transcripts with your application for your current undergraduate institution/university. If you are a master's degree student, submit your undergraduate transcripts and your current graduate degree transcripts.

5. One Letter of Recommendation: You will request a recommender to complete this UCSB-CSU SRI Recommender Form, and they will be able to submit their letter using this form. Additional information and directions are provided below. You may have more than one recommender, but MUST have at least one.

Directions for submitting your documents:

You will submit your documents in Section 10 of this application. As documents are required items, you will need to have them available to upload in order to complete and submit this application.

The filenames must include your first and last names and clearly identify each document (examples: karen_vangool-SOI.pdf; karen_vangool-Resume.pdf; karen_vangool-Transcript.pdf).

Please direct any questions you may have to our ARC Team via email to summerprogram@graddiv.ucsb.edu.

ADDITIONAL INFORMATION & ACKNOWLEDGEMENTS

Thank you for completing this application. Prior to submitting this form, please take note of the following information regarding summer arrangements with UCSB and then please acknowledge that you have read and understood this information.

- 1) UCSB will provide program participants with a stipend, in two payments, via check.
- 2) You will be in shared accommodations. You will be in a 3 bedroom, 2 bath apartment that houses up to 6 persons. UCSB-CSU SRI Scholars are in 2-person bedrooms.
- 3) We will assist you with parking arrangements and information if you plan to bring a personal car.
- 4) Our program components (workshops and events plus upwards of 35 hours of research per week) require mandatory attendance, and most is in person. We strongly discourage and will not accommodate summer school schedules. Likewise we expect students to schedule personal appointments or any travel out side of mandatory attendance requirements. We expect program scholars to be full, active participants during this 7-week commitment. Please contact us if you would like us to consider exceptional circumstances.

Contact: Karen van Gool, summerprogram@graddiv.ucsb.edu

55. By typing my name below, acknowledge that I have read and understood * these statements and that I agree to these requirements if I become a participating scholar of the UCSB-CSU SRI.
