FILING LEAVE OF ABSENCE (LOA)

For deadlines, visit the Registrar's Calendars & Deadlines or Graduate Division calendar

The Filing Leave of Absence (LOA) enables graduate students who have fulfilled all degree requirements except the final examination and filing of the master's thesis, doctoral dissertation, DMA supporting document, or completion of master's comprehensive examination or project to take a Filing LOA in lieu of registering. All research and a substantial portion of the thesis/dissertation/DMA supporting document must be drafted prior to the Filing leave quarter.

Students on leave of absence are not registered students and therefore relinquish most student privileges and resources such as extensive use of faculty time.

Eligibility Criteria:

- Have not been on approved Filing leave in the past,
- Must have been registered* the preceding academic quarter,
- Research associated with the final degree milestone must be completed, and thesis/dissertation/DMA supporting document must be substantially drafted, *and*
- Must be a terminal master's degree student or
- Must be a doctoral degree student

*If on approved non-Filing leave or lapsed spring quarter, to be eligible for fall quarter Filing leave, students must register in a minimum of four units during one <u>Summer Session</u>.

Terms and Conditions of a Filing Leave of Absence

Non-refundable Filing LOA fee is paid at the time of degree completion. *The fee, one-half of the <u>Student</u>* <u>Services Fee</u>, is paid at the Cashier's Office (1212 SAASB) and the receipt submitted to the Graduate Division.

Students who are not in good academic standing, with a cumulative GPA below 3.0 or with units of unfinished coursework, may need to correct these deficiencies to be eligible.

LOA Requests submitted after the posted deadline may be granted by exception.

International Students must secure approval from the Office of International Students and Scholars (OISS) before applying for *any* leave of absence.

Financial Aid may be affected by taking a leave of absence. Please contact the <u>Financial Aid Office</u> with any questions about your aid status while on leave.

Students absent for a period longer than that covered by an approved leave of absence must file a <u>Reinstatement</u> Petition in order to register. Reinstatement is subject to the approval of the department and the Graduate Division.

Students are *not eligible* to:

- Hold student academic appointments (TA, GSR, Reader, Tutor) or other student appointment titles
- Receive most forms of University financial support
- Be exempt from payment of loans (check with loan agency)
- Have student MTD bus privileges
- Obtain student parking privileges from UCSB Transportation & Parking Services
- Register in absentia following a Filing LOA

Students may be eligible to:

- Access Student Health Services on a fee-for-service basis (without graduate student health insurance)
