IMPORTANT
INFORMATION FOR NEW GAUCHOS

ENTRY IMMUNIZATIONS

All incoming students must complete a questionnaire and submit records of certain immunizations. You can get more info on these requirements on our webpage: **http://tinyurl.com/UCSBimmunizations**

HEALTH INSURANCE

Health insurance is mandatory for all UCSB registered students as a condition of enrollment. If you purchase our campus plan called **Gaucho Health Insurance (GHI)**, you will be insured year-round with a PPO insurance plan that includes medical, vision, and dental. **You will be automatically enrolled in GHI**. To opt out of GHI, you will need to fill out an online waiver through the Student Health website **and** show proof of comparable insurance by the waiver deadline. For more info visit our webpage: **http://tinyurl.com/UCSBghi**

FINANCIAL AID & GHI

Dependent on your financial need, you may be eligible to have your **GHI premium fully or partially covered by a GHI Grant**. Please note that your Financial Aid award may change if you waive out of GHI. For more info please visit our webpage: **http://tinyurl.com/GHIgrant2017**

GAP

Gaucho Access Plan (GAP) is a prepaid access plan to cover many of the core services offered at Student Health. This plan is only for students *who have waived GHI*. GAP is offered quarterly and is a commitment for the remainder of the year as long as the waiver is in effect. The cost for GAP is $480/year.

WHY CHOOSE GAUCHO HEALTH INSURANCE?

Gaucho Health Insurance (GHI) is available to meet UC insurance requirements and provides excellent health benefits. The plan includes medical, dental, and vision benefits. Students who are in GHI have the advantage of being able to visit Student Health as many times as needed without worrying about the cost.
