### To Recommenders:

The goal of the UCSB Academic Research Consortium Summer Program is to prepare and encourage talented scholars from diverse backgrounds to compete for doctoral programs at UCSB and at other University of California campuses. Our research programs are intended to acquaint participants with UCSB faculty and graduate programs, and to familiarize scholars with the nature of graduate work by providing them with experience in an academic research environment. Your response to the questions below and your letter of recommendation will help us assess your student's maturity, level of preparation, and potential to benefit from participation in our seven-week summer program. For more information, visit <http://www.graddiv.ucsb.edu/admissions/outreach/academic-research-consortium>.

Please mark the appropriate response below and provide additional comments about the applicant in your written recommendation.
