OLIVIA LONG CONVERSE GRADUATE FELLOWSHIP

Overview

The Converse Fellowship supports graduate research on terrestrial plants in Mexico. Fellowships will be granted for field-oriented studies. Both research and research-related travel expenses are appropriate. Awards may be made for one quarter (maximum stipend $10,834) or for one academic year (maximum stipend $32,500) and may be received more than once.

Eligibility

To be eligible, applicants:

- Must be UCSB graduate student with financial need; domestic students must file the FAFSA.
- Must be registered or on approved Leave of Absence during the Spring quarter of the current academic year
- Must not be beyond time-to-degree standards.
- Must not hold an active multi-year central fellowship package (e.g. students in a departmental appointment year of a multi-year award); must be in academic good standing at the time of application.
- Supportable areas of research are in one or more of the following areas with a strong preference for research in Mexico: systematic, floristic, vegetational, ecological and phytogeographic botany studies.
- Some applications will also be considered for research in botany in other areas; applicants may describe such studies in the project description.
- Activities not suitable for award include travel to increase familiarity with Mexico, photographic excursions and general plant collecting.

Award Determination

Awardees will be determined based on applicant’s merit, need and appropriate intent of the project. Graduate Division will mail notifications of award status to applicants by May of the current year.

Support

This award provides a stipend for one quarter or for one year plus payment of in-state tuition and UC health insurance. Please note that nonresident supplemental tuition will not be provided. Departments may supplement with any combination of appointments up to an average of 35% time during the academic year. (In these cases, Graduate Student Fee Remission will pay fees/UCSHIP from the salary account. The Graduate Division will pay the balance of fees if needed.)

Application Materials

- This form (2 pages). International students may provide the financial statement (page 2) in lieu of FAFSA information
- Curriculum Vitae (1 page maximum, single-spaced)
- Description of research project (one to two pages, single-spaced)
- Succinctly state your objective and the significance of your research; indicate how the topic fits the eligibility requirements of the fellowship; describe your general and specific interests in biological research; tell why the site is important to the study; give a detailed but brief budget of research costs (may include travel, supplies and minor equipment costs); give a study plan and goals and briefly discuss your qualifications for the study
- One letter of recommendation from the student’s faculty mentor
